

A favorite travel & vacation destination

Maui, known as the Valley Isle, is a top travel vacation destination and the second-largest island in the Hawaiian Islands chain. The 729 square miles of Maui Island were formed when two volcanoes erupted out of the sea more than two million years ago. Gradually, the power of nature magically created this unique Pacific paradise formed by rain forests, valleys, springs, slopes, waterfalls, sandy beaches, exotic plants and flowers, beautiful birds, and many other tourist attractions.

Climate: Subtropical	Electricity: 110 volts, 60c.
Time zone: Hawaii-Aleutian	Language: English
Population: about 122,000	Currency: U.S. dollars

Today, Maui not only produces tropical fruits, exotic flowers, vegetable from its green hills, clear waters and rich soil, but has also been continuously selected by readers of some travel magazines as one of the "Best Islands in the world" and one of world's most favorite travel vacation destinations with luxury hotels, scenic resorts and famous spas.

Every year, about two million tourists travel to Maui for vacations and to enjoy its natural beauty, to swim, surf, and sunbath on Maui Island's silky-soft white sandy beaches and blue water around its 120 miles sunny coastline, to spend a dream vacation in a harmonic atmosphere created by Hawaiian Aloha spirit, luxury hotels resorts excellent services and Pacific soft romantic melody.
